**Re: Response to Public Records Request**  
**Washington High School Murals**

Dear Mr. Kampouris:

This letter is in response to your California Public Records Act request received by the San Francisco Unified School District on July 27, 2019.

With respect to records relating to the outside consultants commissioned to inform the Board of Education's decision on June 25, 2019, the District exempts these records from the CPRA under the attorney work product and attorney client privileges. Cal. Govt. Code § 6254(k), Cal. Evid. Code § 950 et seq., Cal. Code of Civ. Proc. § 2018.030. The consultants were commissioned by the Legal Department for the purpose of giving legal advice to the Board of Education. Government Code section 6254(k) exempts "records, the disclosure of which is exempted or prohibited pursuant to federal or state law, including, but not limited to, provisions of the Evidence Code relating to privilege."

This is our final response to the above referenced request.

Sincerely,

SAN FRANCISCO UNIFIED SCHOOL DISTRICT

John Richard Reclosado
